

A PEEK AT OUR WEEK

Your 5th Grade Newsletter

August 7-9, 2019

Announcements/Reminders

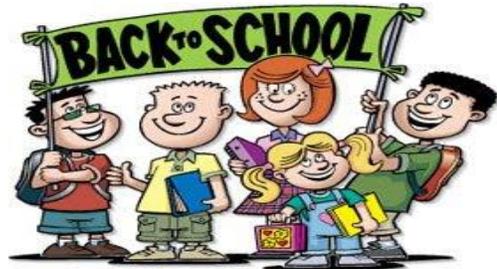

- *This is your first 5th grade newsletter! Newsletters will be sent home each Monday. Please look for them in the newsletter page protector in your child's binder.
- *Please sign calendars **DAILY**.
- *We will send home classroom policies and procedures in the next few days after we review them with the class.
- *Please help your child keep his/her binder tidy and organized. The "Keep at Home" pocket should be emptied daily.
- *We will be working on organizing our binders this week. It might take a couple of days to get it the way it needs to be. Thank you for your patience!
- *Thank you for all the classroom donations you've sent in already! We appreciate your support!
- *Please write **a note** if your child's transportation changes for the day or for the week. Please **DO NOT** write this note in the agenda, as the note will be sent to the office. The office will **not** be able to accept transportation changes over the phone.
- *Students are now allowed only **FIVE** parent notes per semester. For your convenience, we have placed five note templates in a page protector in your child's binder. All you will have to do is fill them out and return them to school within five days of the absence. After five parent notes, only doctor notes will be accepted. Please see the handbook for further info regarding new attendance policies.
- *If you have not signed up for our **Remind**, please do so **ASAP**. **Sign up for both teachers** to receive information from all subjects/events.
 - To sign up for Mrs. Smith, simply text @atessmith to 81010.
 - To sign up for Mrs. Stacy, text @8bachb6 to 81010.

Wish List

This is where we will post items needed in our classrooms. For now, the only thing we need is for all students to have all of the required supplies listed on the supply list.

Topics & Tests

This is where we will normally post topics for the week, as well as inform you of any upcoming tests or quizzes. For the first few days, we will be getting to know each other and our classroom. 😊

Spelling / Vocabulary Words

None this Week!

Spelling and vocabulary words will normally be found in this section of the newsletter.
